Matt Ricklefs arrived at 5:15 pm.

Item 4 – Public Hearing on a proposed zoning change to the Storm Lake Zoning Ordinance Official Zoning Map. Chairman Walker opened the public hearing on a proposed zoning change to the Storm Lake Zoning Ordinance official Zoning Map for property located at 2900, 2902, 2904, and 3000 Howard Road, and 1204 and 1205 Kelvin Road stating this was the time and place for any comments. David York (809 Kelvin Road) asked if there are interested parties for the duplex. Linda York (809 Kelvin Road) stated the need for a stop sign at the corner of Kelvin and Howard Road and also her concern about the standing water at the intersection specifically in regards to a safety issue during the winter time. She also, asked if the City or the DNR determined if this is a wetland and would there be lake access or docks accessible to the duplex. Duane Queen (804 Kelvin Road) asked if the DNR needs to approve these changes. Kevin McKinney (2900 Alvin Place) commented to say that five years later these lots could be requested to be changed to R-3 and that an apartment building would be built. Sue Speers (1113 Emerald) concern is if the lift station by her house stopped working then her house would be the first one to get sewer backup in her home. Kim asked if the existing lots can be re-plotted. Sue Lyngaas (1000 Emerald Drive) asked what kind of foundations these houses would have. Jason Hayes (1109 Pierce Drive) asked if these could be owner occupied and not rentals. Julie McKinney (2900 Alvin Road) is concerned with the increased traffic in the area. Betty Grover (812 Kelvin Road) asked what is the motivation that these have to be townhomes instead of single family homes and why not stay with single

family homes as there is more of a need for a single family homes. Steve Brashears was present representing the applicant. He commented that these are not big enough lots to build apartment buildings. The owner has too much of an investment for these properties to be as rentals and had tried selling these lots as single family homes but have not had any luck.

Trevina Jefferson left at 5:40 pm.

Hearing no additional comments Chairman Walker closed the public hearing.

Item 5. Proposed Zoning Change To The Storm Lake Zoning Ordinance Official Zoning Map

Moved by Commissioner Ramos to approve the proposed zoning change to the Storm Lake Zoning Ordinance official Zoning Map for the property described located at 2900, 2902, 2904, and 3000 Howard Road, and 1204 and 1205 Kelvin Road. Change in the zoning of these properties from the R-1 Low Density Residential District to the R-3, Medium Density Residential Zoning District. Seconded by Commissioner Ricklefs.

REPORT TO: Planning & Zoning Commission

FROM: Scott Olesen, Building Official

SUBJECT: **Public Hearing On A Proposed Zoning Change To The Storm Lake Zoning Ordinance Official Zoning Map**

BACKGROUND: James Prichard owns the property generally located south of East Milwaukee Avenue and between the abandoned railroad right of way to the south and east of the homes located on the east side of Hickory Lane and west of the homes located on the west edge of Rose, Tulip, and Violet Lanes.

The proposal is to rezone a parcel in the south part of Lot 2-90-37, Storm Lake Corporation, Hayes Township, E1/2 NW N of RR, more particularly described as starting in the south west corner of the lot then going generally northeast along the west property line 267'-9", then generally southeast 252' to the east property line at a point 419'-11" from the southeast corner of the parcel, then 861'-7" along the south property line back to the point of beginning.

The request by James Prichard asks for the above property to be rezoned from R-1, Low Density Residential, to R-4, High Density Residential.

If the property is rezoned, the proposal would be to construct two apartment structures on this parcel.

COMPREHENSIVE PLAN RELATIONSHIP: The Storm Lake Comprehensive Plan on page 5-6, lists "Housing Goals and Policies". Goal 1 is to "Provide a variety of housing options to attract and retain households of varying sizes, ages, diversity, incomes, and needs." Policy 6 is "Regularly review zoning and subdivision ordinances to ensure maximum opportunities for the development of housing."

FISCAL IMPACT: Cost of public notices and legal fees estimated at \$200.00.

RECOMMENDATION: Open the Public Hearing

A petition for a rezoning in the R-1, Single Family Dwelling District as applied to the property described as a portion in the southern part of lot 02-90-37 STORM LAKE CORP HAYES E 1/2 NW N of Railroad, more particularly described as starting in the southwest corner, then generally northeast along the west property line 267' 9'', then generally southeast 252' to the east property line at a point 419' 11'' from the southeast corner of the parcel then 861' 7'' along the south property line back to the point of beginning has been filed by James Prichard.

The petition requests approval of a rezoning request from R1, Low Density Residential District to a R-4, High Density Residential District.

A public hearing will be held by the **Planning and Zoning Commission** on **Thursday, August 31, 2017 at 5:00 p.m.** in the City Hall Council Chambers at which time you may appear if you so desire, either in person or by agent or attorney, in opposition to or support of the proposed request for rezoning from an R-1, Low Density Residential District to a R-4, High Density Residential District.

Respectfully submitted,

Scott Olesen
Zoning Administrator

REPORT TO: Planning & Zoning Commission

FROM: Scott Olesen, Building Official

SUBJECT: **Proposed Zoning Change To The Storm Lake Zoning Ordinance Official Zoning Map**

BACKGROUND: James Prichard owns the parcel located at 2-90-37, Storm Lake Corporation, Hayes Township, E 1/2 NW N of RR. Mr. Prichard is requesting that the south portion of the lot be rezoned from R-1 Low Density Residential to R-4, High Density Residential. The parcel to be rezoned is more particularly described as starting in the southwest corner of the parcel, then generally north east along the west property line 267'-9", then generally southeast 252' to the east property line at a point 419'-11" from the southeast corner of the parcel, then 861'-7" along the south property line back to the point of beginning.

There is a proposal to construct two apartment buildings, and the property must be re-zoned to accomplish this.

Since the proposed project is subject to Government funding, approval of the request for rezoning must be provided prior to the funding being approved.

Therefore, it is requested that approval is contingent upon funding being provided for this project. If funding does get approved for this project, then the Zoning of the parcel will revert back to the current, R-1, Low Density Residential Zoning District.

COMPREHENSIVE PLAN RELATIONSHIP: The Storm Lake Comprehensive Plan on page 5-6, lists "Housing Goals and Policies". Goal 1 is to "Provide a variety of housing options to attract and retain households of varying sizes, ages, diversity, incomes, and needs." Policy 6 is "Regularly review zoning and subdivision ordinances to ensure maximum opportunities for the development of housing."

FISCAL IMPACT: Cost of public notices and legal fees estimated at \$200.00.

RECOMMENDATION: Review the application for re-zoning submitted by James Prichard and conditionally recommend approval to the Storm Lake City Council.

REZONING REQUEST

The Prichard family (owners) has granted an Option to Purchase on 7 acres of a 20-acre parcel that lays between E. Milwaukee Ave on the north, 4 Street on the south and is east of Hickory Street. This parcel is the southernmost 7 acres that runs along the former railroad ROW. The buyer intends to develop a 60-unit LMI apartment complex.

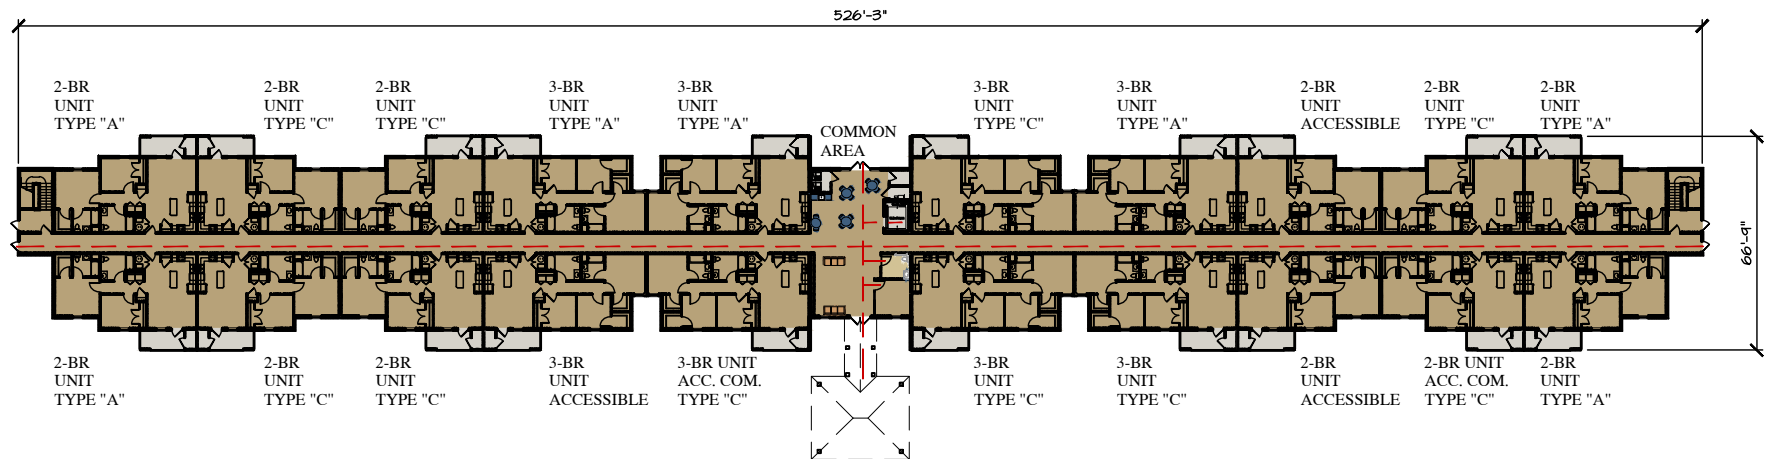

In order to accommodate this project, the property needs to be rezoned and re-platted. The owner hereby requests a change of zoning from the existing R-1 to R-4. The buyer will submit a separate application for re-platting.

The request to rezone is being made conditionally. For this project to materialize the developer must receive an allocation of Low Income Housing Tax Credits. If the developer is unsuccessful in obtaining the allocation, the owner hereby requests that the zoning remain R-1.
